OMIGOD YOU GUYS - MARGOT, SERENA, PILAR, ELLE, SALESWOMAN, STORE OWNER, CHORUS

MARGOT

Dear Elle,
He's a lucky guy
I'm, like, gonna cry
I got tears coming out of my nose
Mad props!
He's the campus catch
You're a perfect match
Cause you both have such great taste in clothes
Of course he will propose

SERENA

Dear Elle,
Honey maseltav
future's taking off
Bring that ring back
and show it to me

PILAR

Four carats
A princess cut
Are you psyched or what?!
I just wish i could be there to see

MARGOT, SERENA, PILAR

When he gets down on one knee

CHORUS

Omigod
Omigod, you guys
Looks like Elle's gonna win the prize
If there ever was a perfect couple, this one qualifies
Omigod, you guys

Omigod, this is happening
Our own homecoming queen and king
Finally she'll be trying on a huge engagement ring for size
Omigod, you guys
Omigod!

PILAR
Okay,
Everybody signed, good
Now fall in line
And we'll start the engagement parade

SERENA
Light candles in single file
Don't forget to smile
Lose the gum Kate, you look like a maid
Now prepare to serenade.

(Spoken)
Sorry!

CHORUS
Omigod
Omigod, you guys
Looks like Elle's gonna win the prize

SERENA (Spoken)

Not once ever has he hit on me

PILAR (*spoken*)
Shut up!

MARGOT,
There just like that couple from Titanic, only no one dies
Omigod

Two! Three! Four!

CHORUS

Daughter of Delta-Nu
Soon to be fiance
Now that a man chose you
Your life begins today
Make him a happy home
Waste not his hard earned wage
And so he does not roam
Strive not to look your age
Still in your hour of need
Let it be understood
No man could supersede,
Our sacred bond of sisterhood

Omigod
Omigod, you gu-

PILAR (*spoken*)
Guy, she's not here.

Bruiser, where is Elle?

(Bark)

She doesn't have an engagement outfit?

(Bark)

She's totally freaking out?

(Bark)

She's trapped in the old valley mill?

(Bark)

Oh whoops sorry, the Old Valley Mall?!

CHORUS

Omigod, dress emergency!

SERENA,
Don't take the freeway!

CHORUS

Hey, wait for me!

No one should be left alone to dress and to accessorize!
omigod, you guys!

Omigod
Omigod
Omigod
Omigod
Omigod

ELLE (*spoken*)
It's almost there but...

This dress needs to seal the deal
Make a grown man kneel
But it can't come right out and say bride
Cant look like I'm desperate or
Like I'm waiting for it
I gotta leave Warner his pride
So bride is more implied

CHORUS (*spoken*)
There she is

ELLE
Omigod
Omigod, you guys
All this week I've had butterflies
Every time he looks at me it's totally proposal eyes
omigod you guys

So help me dress for my fairytale
Can't wear something I bought on sale

SERENA,
Love is, like, forever.
This is no time to economize
Omigod, you guys

SALE WOMAN (*spoken*)
*Blondes make commission so easy.
Excuse me, have you seen this?
It just came in. It's perfect for a blonde.*

ELLE (*spoken*)
Right! With a half loop stitch on china silk?

SALESWOMAN
Uh-huh.

ELLE,
*But the thing is, you can't use a half loop stitch on china silk. It'll pucker.
And you didn't just get this in because I saw it in last May's Vogue*

CHORUS (*whisper*)
Omigod
Omigod, you guys

ELLE
I'm not about to buy last years dress at this years price

CHORUS
Elle saw right through that salesgirl's lies

ELLE
It may be perfect for a blonde, but I'm not that blonde!

I may be in love but I'm not stupid
Lady, I've got eyes

STORE OWNER (*spoken*)
Omigod, Elle woods

Sorry, our mistake
Courtney, take your break!
Just ignore her
She hasn't been well
Try this!
Latest from Milan
Go on, try it on
I take care of my best clientele

It's a gift from me to Elle

ELLE

Omigod

Omigod, you guys

This one's perfect and it's just my size

See, dreams really do come true,

You never have to compromise

Omigod

CHORUS

Ah ah ah ah ah

Aaaah

A-ah-aaah

CHORUS

Omigod

Omigod you guys

If there ever was a perfect couple this one qualifies

Cause we love you guys!

ELLE

No, I love you guys!

CHORUS

Omigod

ELLE

Omigod

CHORUS

Omigod

You guys!

Omigod!

SERIOUS - WARNER & ELLE

WARNER

We both know why we're here
I see it in your eyes
I guess it calms my fear
To know it's not a surprise
I thought one look at you
Looking like a dream come true
Would leave me speechless like you always do

But now we're wide awake
We've got some plans to make
Let's take some action, baby

So, baby, give me your hand
I've got some dreams to make true
I've got the future all planned
It's time to get serious
Time to get serious with you

ELLE

I never thought that I-

WARNER (*spoken*)

Uh, honey, I'm not finished.

ELLE (*spoken*)

Oh, sorry!

WARNER

Since I was two or three

My life was planned out neat

I'd get my law degree

And then win my senate seat

A big white house back east

ELLE

Mmmm

Mmmm

Yeahh

Mmmm

Oh, ohh

All of the amenities

Yeahh

Three kids

BOTH

At least, just like the Kennedys

WARNER

Here's where our lives begin

Just where do you fit in?

I'll break it down now, baby
So, baby, give me your hand

I've got some dreams to make true

I'll know that you'll understand

ELLE

Our lives begin

Fit me in!

Oo, whoaa,
here's my hand, here's my hand

We both have dreams to make true

Oh yes, I understand

BOTH

It's time to get serious

Time to get serious

WARNER

With you
Serious

Gotta wake up and take our journey
Serious

I'm telling you as a future attorney
You want the moon and sky
Then take it, don't be shy
Baby, that's why you and I

ELLE

Serious

Serious

Oh, oh

Heyy
I, you and I

WARNER
Should break up!

ELLE
Hey, baby, I'll give you my hand, we-
(Spoken) *WHAT?? You're breaking up with me?
I thought you were proposing!*

WARNER (Spoken)
*Elle, if I'm gonna be a senator when I'm thirty,
I'm gonna need somebody*

Serious
Less of a Marilyn, more of a Jackie
Serious
Somebody classy and not too tacky

ELL
What?!

WARNER
Okay, that came out wrong

ELLE (Sobs)
Oh oh

WARNER
Baby, let's both be strong

ELLE (Sobs)
Oh uh

WARNER
I mean, we've known all along

ELLE (Spoken)
*Just shut up! What does that mean, I'm not a Jackie?
I'm not serious? But I am seriously in love with you.*

WARNER
Baby, my future's all planned

I've got some dreams to make true
I thought that you'd understand
It's time to get serious
Time to get serious

The check please

WHAT YOU WANT - ELLE, ADVISOR, FATHER, GRANDMASTER, HARVARD PROFESSOR, JET BLUE PILOT, SORORITY GIRL & CHORUS

ELLE (spoken)

Wait a sec !

This is the kind of girl Warner wants

Someone serious

Someone lawyerly

Someone who wears black when nobody's dead!

Girls, I have a completely brilliant plan!

What you want, Warner

What you want is me

But you need to see me

In a brand new domain.

Well it's plain, Warner

In a different setting, you will see you're getting

All of this plus a brain!

I'll meet you there at Harvard with a book in my hand

Big sturdy book, big wordy book

Full of words I'll understand

And right there is where you'll see it too

Warner, what you want is right in front of you!

ELLE

It's clear

Right here

right in front of you, front of you

It's clear

Right here

right in front of you, front of you

CHORUS

What you want

What you want

What you want is
right in front of you, front of you

What you want

What you want

What you want is
right in front of you, front of you

ELLE

Step one, he's off to Harvard law
So I get in there too

CHORUS

Step two!

ELLE

Make Warner reassess
Impress him with my high IQ

CHORUS

Step three!

ELLE

We throw a great big wedding

ELLE and **CHORUS**

And invite all Delta Nu!

ADVISOR (Spoken)

*That's great, nice plan. Now can we think this through?
Harvard Law School?*

ELLE (Spoken)

I have a 4.0 average.

ADVISOR (Spoken)

*Yeah, in Fashion Merchandising.
What makes you think you can do this?*

ELLE

Love! I'm doing this for love!
And love will see me through
Yes with love on my side, I can't lose
And Harvard can't refuse
A love so pure and true
Don't lawyers feel love too?

ADVISOR (spoken)

Even if they do . . .

What you want, sweetheart is no easy thing
If you're going to swing it, it will wreck your senior spring, yeah it's true
First, you'll need an LSAT score of more than 174
So no more parties for you

You'll need a killer essay, or do not even hope
And glowing letters from your betters
Any chance you know the pope?

ELLE
Hm nope!

ADVISOR
Too bad cause that would be a coup
And you've got a lot of work in front of you

ELLE
Yes I know
Even so
right in front of you, front of you

CHORUS
What you want
What you want
What you want is
right in front of you, front of you
What you want
(Girl, you go!)
What you want
(No really go !)
What you want is
right in front of you, front of you

FATHER (spoken)
Law school?

ELLE (spoken)
Yes, Daddy, law school!

FATHER (spoken)

*Good God, why? Law school is for boring, ugly, serious people!
And you, Button, are none of those things.*

What you want, Button, hey you just say the word!

But what you want's absurd and costs a whole lot of swag

And hell why?

Button, when you can stay right here

Pursue a film career

CHORUS

How 'bout a nice burken bag?

FATHER

Yes, the east coast is foreign

There's no film studios

It's cold and dark, no valet parking

All the girls have different noses!

Christ, Button! It's like the damned frontier

FATHER

Tell me what's out there that you can't get right here?

ELLE

Guys, love!

FATHER & **CHORUS**

Love?

ELLE

I'm going there for love

FATHER & **CHORUS**

Good God!

ELLE

A love I have to win

I can live without sun or valet

I can't just walk away

CHORUS

Ah-ah-ah-ah-ah

Betray what might have been

FATHER

Fine, okay, I'll pay your way if you get in!

FATHER

Make good grades

And it's paid

right in front of you, front of you

CHORUS

What you want

What you want

What you want is
right in front of you, front of you

SORORITY GIRL (spoken)

Hey everybody, it's the spring fling beer bash extreme!

CHORUS (spoken)

EXTREME!

ADVISOR (spoken)

Not for you! Time to study! Go!

SORORITY GIRL (spoken)

This year's theme: Jamaican me crazy!!!

GRANDMASTER CHAD

What you want, you wanna be out because the sun is warm

What you want, you wanna be study-stuck inside your dorm

What you want, you wanna be partyin' with us all night long

What you want, you wanna be strong

CHORUS (spoken)

Be strong!

Oh-oh

ADVISOR (spoken)

134. Not good enough. Try again. Go!

GRANDMASTER CHAD

What you want, you wanna be groovin' up and shake the room
What you want, you wanna be provin' something and to whom
What you want, you wanna be wonderin' where your youth has gone
What you want, you wanna hold on

ELLE

Hold on!

CHORUS

Oh-oh

ADVISOR (spoken)

151. Still not Harvard material. Once again. Go!

GRANDMASTER CHAD

What you want, you wanna be breathing in
the healthy air

What you want, you wanna be chasing him
and he don't care

What you want, you wanna ignore the pity
in your looks

What you want, you wanna say sorry, go
and hit me books

What you want, you wanna sittin' like a
lonely child

What you want, you wanna be drivin' all the
fellas wild

What you want, you wanna be feelin' good
to be alive...

ELLE

Love! I'm doing this for love,

And that's how I'll survive.

Here you go,

I said no, go away!

Right here is where I'll stay

Until that happy day

That day I hear them say . . .

ADVISOR

CHORUS
175

ELLE
175!

CHORUS
175, 175!!!

HARVARD PROFESSOR (spoken)
*So, gentlemen,
Harvard Law grants admission to Adam Cohen and Sundee Padamadan.
And now, Ms. Elle Woods...
Oh, look at that! Oh, what a shame!
She didn't bother sending in a personal essay!*

SORORITY GIRL (spoken)
How's this for a personal essay?

HARVARD PROFESSOR

Goodness me!

Security!

(spoken) *Who are you?*

CHORUS

What you want

What you want

What you want is right in—

ELLE
I'm what you want, Harvard
I'm the girl for you!

ELLE and **CHORUS**
And to prove it's true

ELLE
We all flew here on Jet Blue

ELLE and **CHORUS**

Thank you!

JET BLUE PILOT

Thank you!

CHORUS

This is what Elle Woods inspires
Everyone admires her
And Harvard should too!

HARVARD PROFESSOR (spoken)

This is NOT a personal essay!

CHORUS

Not an essay's so boring and so much does not fit
So we're appearing live, right here
Making clear you must admit
That Elle Woods should join the chosen few
Harvard, what you want is right in front of--

HARVARD PROFESSOR (spoken)

Now see here, Ms. Woods!

*You can't just barge in here with singing and dancing and ethnic movement.
This is a very flashy presentation, but I still don't see one reason to admit you!*

ELLE

How about love?
You ever been in love?
Cause if you have, you'll know
That love never accepts a defeat
No challenge it can't meet
No place it cannot go
Don't say no to a woman in love

ELLE

Don't laugh when I say love
Don't think that I'm naive
Because even a person who's smart
Can listen to their heart

CHORUS

Ooh
Ooh ooh
Ooh ooh
O-oo
Ooh

Can listen and believe
So believe in what love can achieve.
Do you believe?

Oooh
Aaah

CHORUS (spoken)
I do!

ELLE
Do you believe?

CHORUS (spoken)
Me too!

CHORUS
Yes, we believe in love!
How 'bout you?

HARVARD PROFESSOR (spoken)
Welcome to Harvard!

CHORUS
What you want

What you want

What you want is right in front of you,
front of you

What you want

What you want

What you want is right in front of you, front
of you

CHORUS

Now we're set

Let's go get!
What you want is right in front of you,
front of you

Now we're done!

With step one!

What you want is right in front of you, front
of you

ALL
What you want
What you want
What you want
What you want!

THE HARVARD VARIATION - AARON, EMMETT, SUNDEEP, ENID, ELLE & CHORUS

AARON (spoken)

Aaron Shultz.

I won a Fulbright and a Rhodes
I write financial software codes
But that's a challenge I've outgrown
How many yachts can one man own?

Some say that I'm a pompous creep
Somehow I don't lose that much sleep
Why bother with false modesty?
Harvard's the perfect place for me

CHORUS

Pretty impressive, good to know

EMMETT

Welcome to Harvard

SUNDEEP

What's up?

ENID

Yo!

SUNDEEP (spoken)

Sundeep Agrawal Padomdon, but you may call me "your majesty."

In my country
My word was law
But then I flee
Because of stupid "coup d'etat"

But here I learn
I make new friends
And soon return
In bullet-proof Mercedes Benz

Pretty impressive, good to know

Welcome to Har--

ENID (spoken)
ENID HOOPES!

I did the peace corps overseas
Inoculating refugees
In family clinics that I built myself
From mud and trees

I fought to clean up their lagoons
And save their rare endangered loons
And led a protest march against insensitive cartoons

CHORUS

Pretty impressive, good--

ENID
But now I'm on the legal track
Because this country's out of whack
And only women have the guts to go and take it back

We'll make the government come clean
And get more people voting green
And really stick it to the phallogentric war machine

AARON
I won a Fulbright

I write financial

Harvard's the perfect

Omigod, Warner? I totally forgot you go here!

BLOOD IN THE WATER- CALLAHAN, STUDENT & CHORUS

CALLAHAN

Our topic is blood in the water
Kids, it's time you faced
Law school is a waste
Oh yes, unless you acquire a taste for

Blood in the water
Dark and red and raw
You're nothing until the thrill of the kill
Becomes your only law

(spoken) *Mr. . . . Shultz , hypothetical question.*
Would you be willing to defend the following banker accused of fraud?

A kind old grandma took her savings and she sent it
Off to your client, all she saved since she was born
Well he promised to invest it, but he spent it
On prostitutes and heroine and porn

STUDENT (spoken)
No, I would not want to take that case!

CALLAHAN (spoken)
Wrong! This one is a win unless you're lazy
Grandma's broke; she'll have some hack from legal aid!

Put her on the stand and call her old and crazy
Your guy goes free and he can get you high and laid

Look for the blood in the water
Read your Thomas Hobbs
Only spineless snobs
Will quarrel with the morally dubious jobs

Yes, blood in the water
Your scruples are a flaw

(spoken) *Ms. . . . Hoopes, hypothetical question.*
Would you be the right lawyer for the following client?

Say they offer you a bundle for defending
A famous hit man for the mafia elite
Seems he missed his chosen prey
Killed a nun and drove away
Running over three cute puppies in the street

STUDENT (spoken)

What, you think I wouldn't defend him just because he's a typical man?

CALLAHAN (spoken)

Oh, you lesbians think you're so tough

STUDENT (spoken)

But--

CALLAHAN (spoken)

*Oh dear, I fear my comment has offended
Hard to argue, though, when you're too mad to speak*

Your employment will be very quickly ended
When they see how your emotions make you weak

*So what's my point? I run a billion dollar law firm!
And I hire four new interns every year
From this class I will select four young sharks whom I respect
And those four will have a guaranteed career
Do you follow me?*

So I wanna see . . . What?

CALLAHAN

Exactly, let the games begin

Four of you will win

But just those four with the dorsal fin

Yes, blood in the water
So fight and scratch and claw

CHORUS

Blood in the water

Hm-mm-mm-mm

Hm-mm-mm-mm-

Ooh-ooh-ooh

Blood in the water

Ooh ooh ooh

CALLAHAN

Ms. . . . Kenzington

Let's say you teach a class at Harvard Law School
A position that you're justly proud about
But a girl on whom you call hasn't read the case at all
Should you let it go or--

VIVIENNE (spoken)

No! I'd throw her out!

CALLAHAN

All right, then.

CALLAHAN

You have heard your classmate
You have just been killed
She cut your throat, so grab your coat
Yes, you've got guts but

CHORUS

Ooh-ooh-ooh
Ooh-ooh
Ooh
Ooh

Now there's spilled your
Blood in the water

Now there's spilled your
Blood in the water

So would you please withdraw

Poh poh poh pah

And if you return
Be ready to learn
Or is it unfair?
Oh, wait I don't care!

That's just how I rule
In life and in school
With fear and shock and gall

Ooh-ooh-ooh

Waaah-aah

You're nothing until

Blood in the water

The thrill of the kill

Blood in the water

Becomes your only law

Blood in the water

Your only law

Your only law

Aah-aah

Blood in the water

Blood in the water

BLOOD IN THE WATER!

POSITIVE - SERENA, MARGOT, ELLE, PILAR, VIVIENNE & CHORUS

SERENA

Honey whatcha crying at?
You're not losing him to that
Both her hair and shoes are flat
Why is she so rude?

MARGOT

Wipe your tears, it's no big thing
You were meant to wear his ring
Cheer-up, chin-up
It's time to bring

BOTH

A happy attitude

CHORUS

Keep it positive

MARGOT

As you slap her to the floor

CHORUS

Keep it positive

SERENA

As you pull her hair and call her whore

PILAR

You can take her in a fight

MARGOT

You and he will reunite!

CHORUS

You know we're right
We're positive

KILL HER!

ELLE

Girls, girls!

Violence is never wise

Not the way to win back guys

Anyway she's twice my size

Who's gotta plan B?

PILAR

Uh Me!

Look at her, she's like a nun

Show him you are way more fun

Bust out the lap dance

You off the hizzle, gee!

Omigod... You're making me sick.

VIVIENNE (Spoken)

Are we? Warner, let's take this back to my place.

CHORUS

OOOOH

Hey, hey, hey!

We're positive

That he loves you and not her

You're hotta'

And I bet ya smarter!

She don't know the real him

You feel him

So don't her her steal him

Wake him up like sleepin beauty

Turn his head with your red hot booty

You bring the noise if we bring the funk

It's positively time to shake your junk

shake, shake, shake, shake,

shake, shake, shake, shake,shake, shake,

Whoo

(DANCE BREAK)

ELLE (Spoken)

Girls, how is this helping? He's not even here!

He left while we were shaking "junk"! Wait!

Girls I'm positive

That we've taken this to far

No I'm positive

This is Harvard not a stripper bar

All this trashy carryin' on

That's the reason that he's gone

I need a salon

CHORUS

WHOO!

ELLE

Girls I'm positive

Try not to get upset

But I'm positive

That it's time for me to go brunette

Being blonde and being hot

That got me exactly squat!

Gotta to show him I've got more to give

No I'm positive

I'm positive

I'm positive

Positive!

IRELAND - PAULETTE & CHORUS

PAULETTE (spoken)

Elle, do you know the number one reason behind all bad hair decisions?

Love!

You're lost without your love
Your heart is on the floor
I can help you
I've been there before!
When I need to relax
I just put on some tracks
From this CD I bought for the store

CHORUS

Ooh-oo-hoo

Ooh-oo-hoo

(spoken) Isn't that relaxing? It's called CELTIC MOODS!

When I'm lonely or feeling dejected
I play this and it never fails
I pretend like I'm in Ireland
With Enya and the whales

When my telephone gets disconnected
Or I spend every night alone
I pretend like I'm in Ireland
Where the Irish bagpipes drone

Smell the grass as a rainstorm is endin'
People smile while I stroll past their farms
With a red headed sailor named Brendan
And we dance without moving our arms

In a bar once I met this guy Dewey
And he bought me like 14 beers
And he told me that he was from Ireland
So I lived with him 10 years

If I squinted he looked like my sailor
Through my boozy delusional fog

But he dumped me for some slut named Kayla
Took my trailer and took my dog

PAULETTE

CHORUS
Ooh-ooH-ooH

In Ireland they know how to love you
You embrace in the misty Irish breeze
And if your Irish boy tires of you
You're allowed to shoot him in the knees

Ooh-ooH-ooH
Ooh-ooH-ooH

Hey, you look like that poster for Ireland
Long blonde hair and the sweet sunny face
Oh no wait that's the poster for Sweden
Oh screw it. I'll never see either place!

But a girl sweet as you has a future
You have hope as each new day dawns
Girls like you always get to see Ireland
Give my love to the leprechauns

PAULETTE (*spoken*)
You go and you fight for him!

The Irish fear nothing and no one
They keep fightin' 'til everyone's dead
I'm not sure where this metaphor's goin'
I just felt like it had to be said

There's a guy at that party who loves you
Something most of us only dream of
You go out there and you get some Ireland
The country of whiskey and love

CHIP ON MY SHOULDER PART 1 - ELLE & EMMETT & CHORUS

ELLE

Love

EMMETT (spoken)

Excuse me?

ELLE

I put my faith in love

I followed where it led

EMMETT (spoken)

Love led you here?

ELLE

To my personal circle of Hell

It has not worked out well

I wish that I were dead

Cause instead of a wedding in love

I'm flunking out of school

A total laughing stock

Someone he and his friends could just mock

So go on, here's my head

Just hand over the rock!

EMMETT (spoken)

Wait, go back!

You came out here to follow a man

Harvard law was just part of that plan

Man, what rich romantic planet are you from?

ELLE (spoken)

Malibu?

EMMETT

Instead of lying outside by the pool

You stalk some guy to an ivy league school?

That's the weirdest reason I have--

ELLE (spoken)

Oh, why'd you come?

EMMETT (spoken)

Okay

I grew up in the Roxbury slums
With my mom and a series of bums
Guys who showed me all the ways a man can fail

I got through law school by busting my ass
Worked two jobs in addition to class
So forgive me for not weeping at your tale

ELLE (spoken)

*Well excuse me,
just because you've got some
kind of chip on your shoulder . . .*

EMMETT (spoken)

You know what? You're right.

There's a chip on my shoulder
And it's big as a boulder
With the chance I've been given
I'm gonna be driven as hell

I'm so close I can taste it
So I'm not gonna waste it
Yeah, there's a chip on my shoulder
You might wanna get one as well

ELLE (spoken)

*I'm sorry, but that sounds highly negative. Wait!
Two jobs PLUS law school?! How did you do it?*

EMMETT

Well, I don't go to parties a lot
Not good use of the time that I've got
Can't spend hours doing
my hair and staying in shape

ELLE (spoken)
I don't spend hours!

EMMETT
But I know it'll all be worthwhile
When I win my first lucrative trial
And buy my mom that great big house out on the cape!

ELLE (spoken)
Oh, that's so sweet!

EMMETT
No! That's the chip on my shoulder
I hugged my mom and told her
With the chance I've been given
I'm gonna be driven as hell

Though I can't take the day off
I just think of the payoff
You need a chip on your shoulder
Little Miss Woods comma Elle

EMMETT
Ya know, this vanity's real picturesque
But it started its life as a desk
Clear it off, and find some room for books instead

ELLE (spoken)
What are you doing?!

EMMETT
Can you live without this?
Can you live without that?
I don't know what this is

ELLE (spoken)
It's for hair!

EMMETT
Wear a hat!
Spend some time improving what's inside your head!

Out, out, put it in storage, sell it on eBay, leave it behind
Out, out, what, are you angry?
Good, so get angry! You may find
The chip on your shoulder

ELLE (spoken)
ARGH!

EMMETT
The room just got colder

ELLE (spoken)
Hey!

EMMETT
But with the chance you've been given
Why are you not driven as hell?!
There's just no way around it
You gotta plow through til you've

ELLE (spoken)
Found it!

EMMETT
Been reading it hard, I can tell . . .

CHORUS

Tis a gift to be simple
Tis a gift to be free
Hmm-mm-mm-mm-mm-mm-mm-mm-mm-mm

ELLE (spoken)
Bye, Warner! Have a great Thanksgiving!

EMMETT
Well, I predict you will probably pass

ELLE (spoken)
Yes!

EMMETT
In the bottom percent of your class

ELLE (spoken)

What?

EMMETT

If you're going for mediocre, you've done great!

ELLE (spoken)

That's not fair!

EMMETT

Look, they laughed at me like they're laughing at you

We can't win if we don't follow through!

Might I venture your vacation plans can wait?

ELLE (spoken)

Why do you always have to be right?

CHIP ON MY SHOULDER PART 2 - ELLE & EMMETT & CHORUS

CHORUS

Glo-o-o-o-o-o-o-o-o-ria!
In excelsis deo

ELLE (spoken)
Bye, Warner! Merry Christmas!

EMMETT (spoken)
Um, Elle?

I don't know if you've noticed before
But each time Warner walks in the door
Your IQ goes down to 40, maybe less

ELLE (spoken)
Huh?

EMMETT
Though it's hardly my business to say
Could it be the real thing in your way
Is the very guy you're trying to impress

ELLE
Yes! I've been smiling and sweet and thoroughly beaten blowing my chance
Let's not chase him away
Let's face him and say
"Hey punk, let's dance!"

ELLE
This chip on my shoulder
Makes me smarter and bolder
No more whining or blaming
I am reclaiming my pride

CHORUS
Oooh-oooh
Ooh-oooh
Aah-aah
Claiming my pride

Grab that book and let's do this
Instead of doodling hearts all through this
Now there's a chip on my shoulder!
Let's see him knock it aside!

Aah-aaah
Doodling hearts all through this
Chip on my shoulder

CHORUS

Ah-ah-ah-ah Daughter of Delta Nu
Show him that you're no fool
Daughter of Delta Nu
Go back to school with a big chip on your shoulder!

CALLAHAN (spoken)

Miss Woods, you just won your case.

ELLE

Ohmigod . . .

Omigod . . .

Omigod . . .

CHORUS

Wait, hold on, we just won the case!

Elle got all up in Warner's face

I am starting to like this place! Yes! Omigod!

EMMETT

Guess she got a chip on her shoulder
Maybe some wise man told her
With the chance we've been given
We gotta be driven as hell

She was something to see there
I'm just happy I could be there
First big test and she aced it
She's so close she can taste it

She got a chip on her shoulder
Guess you never can te-e-ell . . .
With little Miss Woods comma Elle!

CHORUS

Elle Woods
Woods comma Elle

Elle Woods
Woods comma Elle

CHORUS

Chip on her shoulder

Chip on her shoulder

EMMETT

No you never can tell

CHORUS

Elle Woods

SO MUCH BETTER - ELLE, & CHORUS

ELLE

All of this time I've planned,
I'd be patient, and,
You would love me again.

You'd come to respect my mind,
and at last you'd find,
You could love me again.

And I have turned my whole world
Upside down,
Trying not to let you go...
Watching you walk away
Is like a fatal blow.

WHOA!

Is that my name up on that list?
Does someone know that I exist?
Is this a mistake?
Am I even awake?
Pinch me now to make sure...

OW!

Yes that's my name in black and white
Maybe I'm doing something right
WOW! I feel so much better
Than before!

WARNER!

Sorry I've been a pest
But I guess my best
Was not working with you
But looks like I've found a cure
And I so look forward to working with you

WARNER

What? Working with who?

ELLE

Hey remember when we spent spring break
In the hot tub every night
We said nothing else
Could ever feel so right
Well this might!

Seeing my name up on that list
That beats the first time that we kissed
You thought I was dumb
But I think that somebody's judgment was
poor

Seeing my name in black and white
It's like making love with you all night

NO WAIT!

It feels so much better
hello much better
its oh, oh, oh, oh, oh
much better
'cause I am so much better than before

Maybe she's what you prefer
But hey last year I was her
Maybe you will change your mind
But you might look up to find
I've gone on to better things
Better jobs or bigger rings
I don't have the time to cry
I'm too busy loving
my name up on that list
kind of a cool ironic twist
who else can I tell?
Oh Wait where's my cell?
Mom will fall on the floor

HEY MOM!

CHORUS

Every night

SNAP!

Oooh on that list
Ooh oh they kissed
Ooh
Ooh-poor

Seeing my name in black and white

So much better
Hello much better
It's Oh

'cause I am so much better

Yes she's so much better than before
Yes she's so much better than before

My name up on that list
Kind of a cool ironic twist

Aaah, aaah
Aaah, aaah

HEY MOM!

Look at my name in black and white
your daughter's doing something right
I feel so much better

I'll be there on monday nine o'clock
and we will see who walks the walk

NO NO I CAN'T WAIT!
I will be there at eight
When they unlock the door

OH OH
I'll even dress in black at white
See I have not begun to fight
And you'll go

Much better

Much better
and soon all y'all know much better

I am so much better

I am so much better

I am so much better

than before!

Look at my name in black and white
Something right
I feel so much better

I'll be there on monday nine o'clock
and we will see who walks the walk

Aaah, aaah

OH OH
I'll even dress in black at white
See I have not begun to fight

OH

AND OH

and soon all y'all know much better

I am so much better

I am so much better

I am so much better

Aaah, aaah, aaah, aaah

WHIPPED INTO SHAPE - BROOKE, ELLE, CALLAHAN & CHORUS

BROOKE

Do you want an easy miracle?
Do you want to lose a pound or two?
Then you can turn this off right now
My workout's not for you.

I'm talkin' to the woman who wants it all:
Gotta pay for what you get
These size 2 clothes don't come to those
Too lazy to sweat!

BROOKE

I want you whipped into shape
When I say jump, say "How high?"
You'll know you're doing it right
When you start to cry

If you don't look like you should,
You've got to whip it, whip it, whip it good
I'm sorry, ladies, no escape
Til you're whipped into shape!

(Spoken)

C'mon Sabrina you half, work it out

ELLE*(Spoken)*

I hate you, Brooke! And I love you for it!

CHORUS

Whipped into shape
Say "How high?"
doing it right
to cry

Look like you should
whip it, whip it, whip it good
Aah no escape
whipped into shape!

whipped into shape!

Whipped into sh--

CALLAHAN

Meet our brand new client, Brooke
You can laugh, but she's made tons
Off her DVDs and book
"Whip Your Way to Tighter Buns"

Happily married, so she swears
To her sixty-year-old stud
Til stepdaughter came downstairs
And found Brooke all covered in his blood

If Brooke took a plea
I'd have her out in 3 to 4
But she claims she did not kill him

WARNER (*Spoken*)
Did she?

CALLAHAN (*Spoken*)
Let's watch some more...

BROOKE
But it's more than just a workout
It's a defensive weapon too
Simply wrap it round your assailant's neck
And pull til he turns blue!

You can also use the patented handle grip
To shatter your attacker's spine
And all for three small payments of
\$19.99!

You'll have him whipped into shape
When you get grief from a guy
Just work him over with this
Til he starts to cry

If he don't act like he should
You've got to whip it, whip it, whip it good
It gets you out of any scrape
It gets you whipped into shape

(Spoken) Come on, people!

(Spoken) What does not kill us makes us hotter!

CHORUS

Hoo

Hoo

\$19.99!

whipped into shape
from a guy
over with this
to cry

act like he should
whip it, whip it, whip it good
Aaah any scrape
whipped into shape

Whipped into shape!

CALLAHAN

Okay, now here is where you kids come in:
Brooke has trouble trusting me
I'm her only chance to win
But I don't speak MTV

Though Brooke won't help her own defense
She may listen to her peers
Go and place a little sense
In the space between her ears

ELLE (*Spoken*)

I'm a Delta N--

CALLAHAN (*Spoken*)

Not now.

I want her whipped into shape
If there's a brain in that hair
Tell it that I am the key
It's a plea or the chair

See when I talk to her I
Get neither plea nor plan nor alibi
To quote from our defendant's tape:
I want her "whipped into shape!"

BROOKE

Left! Right! Left! Right! Left! Right!

Work it out!

I want you whipped into shape
When I say jump, say "How high?"
You know you're doing it right
When you start to cry

If you don't look like you should
You've got to

CHORUS

Left! Right! Left! Right! Left! Right!

I want you whipped into shape
When I say jump, say "How high?"
You know you're doing it right
When you start to cry

whip it, whip it, whip it good

Whiped into shape

Like prison, ladies, no escape
Til you're whipped into shape!

Whipped into shape

Whip it! Whip it!
Whip it! Whip it!

Swipe it! Swipe it! Swipe it through! Check it
out! Double jump!

Swipe it! Swipe it! Swipe it through! Check it
out! Double jump!

That's right! You've got it!

Whip it!

Whip it!

Whip it!

Get whipped into shape!!

Whip it!

Whip it!

Whip it!

Get whipped into shape!!

TAKE IT LIKE A MAN - EMMETT, ELLE

ELLE

First a deep breath

Take it all in

Feel all those halogens warming your skin

Smell how they pump in pure oxygen.

See, they care.

LADY

Love?

EMMETT (*Spoken*)

Excuse me?

LADY (*Spoken*)

Love, the new fragrance from Chanel.

EMMETT (*Spoken*)

Oh. No thank you.

ELLE

I know you're scared

Nevertheless

Think of the people you want to impress

Swallow your pride for me

Just nod yes and prepare

Cause something's in the air

EMMETT (*Spoken*)

I think its love

ELLE

Exactly!

Here you'll become what you're supposed to be

You think you can't but you can.

Think of the guy you want most to be.

Here's your chance to make it

So take it like a man.

CHORUS

Hmmm hmm

EMMETT

What does she want?
Not really sure
Why can't we leave things the way that they
were?
Why can I never say no to her?
What's that smell?

CHORUS

Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm

GUY

Subtext, by Calvin Klein.

EMMETT

That I don't like,
That's kind of neat.
Guys who wear that get beat up on my
street.
Still I've come this far,
I can't retreat in my shell
I'm in the hands of Elle!
What the hell?

CHORUS

Hmm-hmm

Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm
Hmm-hmm
Aah-Ahh

You think you can't but you can.
Think of the guy you want most to be.
Here's your chance to make it
So take it like a man.

CHORUS

Aah-Supposed to be

Yes you can
Aah-most to be
Ooh-aaah

Take it like a man

ELLE

God, I love shopping for guys!

EMMETT
Okay this is strange.

ELLE
Watching the change right before my eyes.

EMMETT
Don't watch me change.

ELLE
Look at him striking a pose.
His confidence grows.
He'll bloom like a rose.

CHORUS
Hmmm
Hmm
Bloom like a rose

EMMETT
It's just clothes

ELLE
God I love shopping for men.

CHORUS
Aah-aah

EMMETT
Okay, this is nice.

Aah-aaa

ELLE
They walk in at two
They walk out at ten

Aah-aaah

EMMETT
Is this the price?

ELLE
Don't worry this is my treat,
There's someone I'd like you to meet.

Ooh-ooh-ooh-ohh
Aah-aah-aah-ahh

BOTH (*Spoken*)
Whoa.

EMMETT (*Spoken*)
I look like Warner.

ELLE (*Spoken*)
Yeah.

EMMETT (*Spoken*)
But it's just me.

ELLE
That's the best part
The outside is new.
But now it reflects, what's already in you.
Couldn't change that if I wanted to
And I do not.

EMMETT (*Spoken*)
Thank You

ELLE (*Spoken*)
No, Thank You.

ELLE
This is no gift,
It's payment in kind,
Cause you saw beyond all the blonde to my mind
Oh, we've got to buy this,
What, are you blind?

You look hot!
Is he not hot!!!!

CHORUS
Aaah-aaah

He's hot, hot, hot, hot

ALL
Here you'll become what you're supposed to be
You think you can't but you can.
Think of the guy you want most to be.

EMMETT

Not quite the guy I'd of chose to be
But when she's standing so close to me
I think I like her plan

ELLE

Here's your chance to make it

So take it like,

A man!!!

A man!!!

A man!!!

A MAN!!!!

EMMETT + **CHORUS**

Your chance to make it

So take it like

A man!!!

A man!!!

A man!!!

GAY OR EUROPEAN - ELLE, CALLAHAN, EMMETT, & CHORUS

ELLE

There! Right There!

Look at that tan, well tinted skin.

Look at the killer shape he's in.

Look at that slightly stubbly chin.

Oh Please he's gay, totally gay.

CALLAHAN

I'm not about to celebrate.

Every trait could indicate the totally straight expatriate.

This guy's not gay, I say not gay.

CHORUS

That is the elephant in the room.

Well is it relevant to assume
that a man who wears perfume
is automatically radically fey?

EMMETT

But look at his coiffed and crispy locks.

ELLE

Look at his silk translucent socks.

CALLAHAN

There's the eternal paradox.

Look what we're seeing.

ELLE (*Spoken*)

What are we seeing?

CALLAHAN

Is he gay?

ELLE (*Spoken*)

Of course he's gay.

CALLAHN

Or European?

CHORUS (*Spoken*)

Ohhhhhh.

CHORUS

Gay or European?

It's hard to guarantee

Is he gay or European?

WARNER

Well, hey don't look at me.

VIVIAN

You see they bring their boys up different in those charming foreign ports.

They play peculiar sports.

CHORUS

In shiny shirts and tiny shorts.

Gay or foreign fella?

The answer could take weeks.

They both say things like "ciao bella"

while they kiss you on both cheeks.

ELLE

Oh please.

CHORUS

Gay or European?

So many shades of gray.

WARNER

Depending on the time of day, the French go either way.

CHORUS

Is he gay or European?

or

ENID

There! Right There!

Look at that condescending smirk.

Seen it on every guy at work.

That is a metro hetero jerk.

That guy's not gay, I say no way.

CHORUS

That is the elephant in the room.
Well is it relevant to presume
that a hottie in that costume

ELLE

Is automatically-radically

CALLAHAN

Ironically chronically

VIVIAN

Certainly pertin'tly

WARNER

Genetically medically

CHORUS

GAY!

OFFICIALLY GAY!

OFFICIALLY GAY GAY GAY GAY

DAMNIT!

Gay or European?

CALLAHAN

So stylish and relaxed.

CHORUS

Is he gay or European?

CALLAHAN (*Spoken*)

I think his chest is waxed.

VIVIAN

But they bring their boys up different there.

It's culturally diverse.

It's not a fashion curse.

CHORUS

If he wears a kilt or bears a purse.

Gay or just exotic?
I still can't crack the code.

BROOKE
Yes his accent is hypnotic
but his shoes are pointy toed.

CHORUS
Huh.
Gay or European?
So many shades of gray.

JUDGE
But if he turns out straight I'm free at eight on Saturday.

CHORUS
Is he gay or European?
gay or european?
Gay or Euro-

EMMETT (Spoken)
Wait a minute!
Give me a chance to crack this guy.
I have an idea I'd like to try.

CALLAHAN (Spoken)
The floor is yours.

EMMETT (Spoken)
So Mr. Architacos...
This alleged affair with Ms. Windam has been going on for...?

MIKOS (Spoken)
2 years.

EMMETT (Spoken)
And your first name again is...?

MIKOS (Spoken)
Mikos.

EMMETT (Spoken)

And your boyfriend's name is...?

MIKOS (*Spoken*)

Carlos.

I'm sorry! I misunderstand. You say boyfriend.

I thought you say best friend. Carlos is my best friend.

CARLOS

You bastard!

You lying bastard!

That's it.

I no cover for you, no more!

Peoples.

I have a big announcement.

This man is Gay and European!

and neither is disgrace

you've got to stop your being

a completely closet case.

It's me not her he's seeing

No matter what he say.

I swear he never ever ever swing the other way.

You are so gay.

You big parfait!

You flaming boy band cabaret.

MIKOS

I'm straight!

CARLOS

You were not yesterday.

So if I may, I'm proud to say,

He's gay!

CHORUS

And European!

CARLOS

He's gay!

CHORUS

And European!

CARLOS
He's gay!

CHORUS
And European and Gay!

MIKOS
Fine okay I'm gay!

CHORUS
Hooray!

LEGALLY BLONDE - ELLE & EMMETT

ELLE

Take back the books and pack up the clothes
Clear out the room and drop off the key
Leave with what's left of my dignity
Get in the car and just go

Chalk it all up to experience
They said I'd fail but I disagreed
Who could say then where my path would lead?
Well, now I know

Back to the sun
Back to the shore
Back to what I was before

Back where I'm known
Back in my own
Very small pond

Laugh with my friends
When I arrive
We'll drop the top and just drive
That's fine with me
Just let me be
Legally Blonde

Thanks for your help and for all you've done
Thank you for treating me decently

EMMETT (*spoken*)
What's wrong?

ELLE
Maybe someday you can visit me
Give me a call, say hello

EMMETT
Wait, where are you going?

ELLE

Sorry I'm letting down everyone

EMMETT

What brought on this?

ELLE

You did your best with a hopeless case

EMMETT

That's ludicrous

BOTH

You are the best thing about this place

EMMETT

Elle, you should know...

ELLE (*spoken*)

Callahan hit on me.

EMMETT (*spoken*)

He what?

ELLE (*spoken*)

He kissed me. He fired me. There's no reason for me to stay.

EMMETT

What about love?

I never mentioned love

The timing's bad, I know

But perhaps if I made it more clear

That you belong right here

You wouldn't have to go

Cause you know that I'm so much in love...

ELLE

Back to the sun

Back to the shore

Back to what I was before

EMMETT

Please will you open the door

ELLE

Lie on the beach
Dream within reach
Don't stray beyond

EMMETT

We both know you're worth so much more

ELLE

Some girls fight hard
Some face the trial
Some girls were just meant to smile

EMMETT

If you can hear, can I just say
How much I want you to stay

ELLE

It's not up to me
Just let me be
Legally Blonde

EMMETT

I need you to stay...

ELLE

It's not up to me
Just let me be
Legally Blonde

**LEGALLY BLONDE REMIX - VIVIENNE, BROOKE, ENID, CALLAHAN, SERNE,
MARGOT, PILAR, ELLE'S PARENTS, ELLE, & CHORUS**

VIVIENNE

I used to pray for the day you'd leave
Swore up and down
You would not belong

But when I am wrong
I say I'm wrong
and I was wrong about you

So listen up!
I see no end to what you'll achieve
That's only if you don't turn and run

You proved it to me
Now show everyone what you can do
And you look great in dark blue!

Get back in the game
Back on the case
Take a good look at my face
I'm not a fool
And as a rule
I do not bond

But I see a star
You're my new muse
You've got the best freakin' shoes!
And you lit a fuse
So go show them who's
Legally Blonde!

Yes, you lit a fuse
So go show them who's
Legally ...

CHORUS

Ooooh,
Ooooooh
Ooooh, oooh, oooh
Ooooh,
Ooooooh
Never know her to bond

Oooh sha la la
Oooh sha la la
Oooh sha la la
And you lit a fuse
So go show them who's
Legally Blonde!

And you lit a fuse
So go show them who's

ELLE (*Spoken*)

I said I'm never wearing that again...I'm wearing THIS!

(Sung) Back in the game

CHORUS

Yes!

ELLE

Back to the trial

CHORUS

Yes!

ELLE

But I'm going back in my style

CHORUS

Back in her style!

ELLE

'Cause it's a fact

CHORUS

Yes!

ELLE

When you're attacked

CHORUS

Yes!

ELLE

You've got to respond

CHORUS

Got to got to got to got to respond!

ELLE

Hand me my dog!

CHORUS

Dog!

ELLE

FIND MY WAY/FINALE - ELLE, EMMETT, VIVIENNE, PAULETTE & CHORUS

ELLE

Though I dreamed of this day long ago
Now my answer is thank you, but no
Look, I've barely begun, I'm hardly through

I was living in ignorant bliss
Til I learned I could be more than this
And you know, in a way I owe it all to you

I thought losing your love was a blow I could never withstand
Look how far I have come without anyone holding my hand

I had to find my way
The day you broke my heart
You handed me the chance
To make a brand new start

You helped me find my way
There's still so much to learn
So many dreams to earn
But even if I crash and burn ten times a day

I think I'm here to stay
I'm gonna find my way

VIVIENNE (*spoken*)

William Shakespeare wrote

*"To thine own self be true, and it must follow as the night the day,
thought can't not then be false to any man."*

*I think this wise statement best applies to a woman--a blonde woman.
Over the past three years, she taught me and showed us*

all that being true to yourself never goes out of style.

Ladies and gentlemen, our valedictorian:

ELLE WOODS!!!!!!

ELLE (*spoken*)

Ladies and gentlemen of the class of...

PAULETTE

Here's the part where she gives her big speech
We're so proud, but Elle's not one to preach
So she said we can play "Where are they now?"
Here we go!!!

Enid practices family law
Vivienne's training for the peace corps
Warner quit, said he makes more modeling anyhow
Callahan ran for governor, but was defeated of course
And his wife hired Emmett to handle their messy divorce

And me, I think I'll find my way
And hey! I married Kyle!
And now we have two kids
And one more on the way
And we live out in Worcester
I bought a new salon
We also feature dog grooming
Here! Take a couple cards!

Oops, sorry! Back to Elle . . .

ELLE

I thank you one and all
The ones who thought I'd fall
Who taught me how to fail
Who helped me to prevail
I'm standing here today
To help me find my way!

Oh, and if you could give one second before we all go
Emmett Forrest, please make the happiest woman I know

EMMETT

Omi-omi-omigod!!!!

GIRLS

Omi-omi-omi-omi-omigod!
Omigod, omigod you guys!
